Dear The Lounge,

As a mechanic I often get called out to rescue stranded motorists so the other night when I got a call from my boss to go and rescue two women whose car wouldn't start I set off as usual.

When I got there I was nicely surprised to see that they were two young women who didn't seem to have many clothes on.

They explained that they had been out for a drink and now couldn't start their car. It was only a flat battery but I insisted on following them home to make sure they got back all right.

When we got to their house they invited me in for a coffee.

Of course, I didn't say no! They offered me some wine, but as I was driving I declined. While one of the girls made me a coffee, the other poured them both a rather large glass of wine each. Soon we were chatting like old mates. It turned out that they had both been out on the pull but hadn't been very successful. They both exchanged a knowing look and then the mood seemed to change. They were both being very flirty and it was pretty obvious what they wanted. Then they really surprised me by starting to kiss each other.

Within minutes they were both naked and getting into some heavy petting on the living

room floor. I sat on the settee mesmerised by what they were doing to each other. My cock was straining to be let out of my pants but I didn't dare move. I sat there for what seemed like ages, watching them make each other come time and time again by sucking each other's tits and clits and finger fucking each other.

Eventually, one of them said that she wanted some cock and the next minute I was naked on the floor with them and was fucking one of them from behind while she sucked the other one's clit. It didn't take me long to come, but they wouldn't let me stop there and swapped over so the other one could have a ride on my cock. I must have come at least three times before I couldn't take any more. The girls didn't stop, they just carried on without me, so I sat back and watched them for what must have been hours.

Soon they fell asleep on the floor and I quickly got dressed and let myself out. Let's hope I'm on call the next time they get a flat battery!

Gary, Luton.

Dear The Lounge,

I love the way your magazine, each month, features hot naked birds! Which brings me to Yvonne and Gemma, two highly fuckable young teaching colleagues of mine, who I recently caught in the English department book cupboard, 'enjoying each other's company', one morning.

Yvonne is a mid-20s brunette, cute as hell, with beautiful breasts and an impossibly firm butt. Rumour had it that she was an insatiable little fuck-bunny, but I'd always brushed that off as jealous rambling.

Gemma, on the other hand, is a 21-year-old strawberry blonde, with high, perky tits, a sweet, tight arse and a dirty, cock-stiffening laugh. As I inched up to the crack in the door I caught a glimpse of Yvonne, her arms over her head, holding fast to the shelf above her, stretching her crisp, white blouse over her gorgeous breasts.

Gemma was on her knees in front of Yvonne, one hand holding her skirt up, over her hips, the other pulling her tight, white cotton panties aside as she licked lovingly at Yvonne's cunt. I became bolder and nudged the door open a little bit wider to get a better view.

It was then that Yvonne turned to me. She winked and drawled, "Don't just stand there, are you gonna help a girl out or what?"

I pulled the door shut behind me and approached her. Gemma sank back and began to slowly molest her puffy, pink cunt.

In no time I unzipped and Yvonne cheekily reached back and released my rapidly stiffening cock. She gently pulled my dick to her cunt and rubbed my helmet against her juicy clit whilst I fondled her heavy tits through her tight silk blouse. As I plunged my cock deep inside her pussy I turned to face Gemma

and was staggered to see her clamber up the shelf, offering her sopping cunt for me to eat. "For fuck's sake, finish me off Jez!"

Gemma squealed, her delicious juice squirting over my face as Yvonne gripped my cock with her spasming cunt muscles.

So I did. Both of the little darlings.

Jez, Kingston.

Dear The Lounge,

I am a traffic reporter for a local radio station

and recently I enjoyed a fantastic job swap with my opposite number at a radio station in Miami. Not only did it mean lots of hot weather but I also got to fly alongside Gareth, my gorgeous helicopter pilot.

I had the hots for Gareth from day one, yet despite flirting outrageously with him he never seemed interested.

Eventually, I decided to take the initiative and arrived for work one morning wearing the tiniest bikini I could find. The sight of my wickedly curvaceous body made such an impact on Gareth that it wasn't just the helicopter that rose hard and fast that morning.

A few minutes later, as we hovered over a nasty freeway tailback, I decided to raise Gareth's horniness level up a few notches. Slowly undoing my bikini top, I let it fall innocently off. As Gareth feasted his eyes on my magnificent 32EE tits, I did likewise on the inviting and handsomely large bulge in his khaki shorts.

"I love wrapping them around a big cock and having them splashed with come," I sighed down the intercom as I played with my big, juicy boobs, knowing Gareth was unable to even touch his cock let alone give it the satisfying wank it wanted.

The more I teased him, the harder Gareth became until I lent over, lowered the elastic waistband of his shorts under his spunk filled balls and gently gripped his hard cock in my eager fist, stroking it keenly.

It wasn't long before his swollen fuckstick jolted, spraying his creamy spunk all over my ample cleavage. I couldn't wait until we landed so I could get his delicious cock in my mouth and into my juiced-up pussy. It was one hell of a messy, milky display that afternoon I can tell you.

Talkin' Blue

SHELLEY WASN'T LOOKING FORWARD TO A SATURDAY COOPED UP ALL ALONE IN THE OFFICE. BUT WHEN HER BOYFRIEND TURNED UP UNEXPECTEDLY, THE PAPERWORK TOOK A BACK SEAT AS HE PUT HER ON THE TABLE AND DROPPED HIS NEEDLE IN HER GROOVE . . .

My boyfriend can be a bit of a prick but he has his moments, like the time he turned up at my work and fucked my brains out. It wasn't like he turned up on a normal

working day, took hi cock out in the middle of the office and bent me over my desk in front of everyone. No, it was a Saturday morning when no one else but me was in. I've got a crap job; just like every other free spirit in this world, I'm tied to a desk every Monday to Friday.

And just like in every other company, from time to time one of the suckers gets lumbered with working on a weekend. Only with me, the first time I had to suffer spending an entire Saturday stuck in work,

not seeing another soul except the old boy in the newsagents for the fifty seconds it takes to chose a limp sandwich and grab some chocolate, it turned out to be the sexiest day of my life.

As I was relatively new, I made sure I didn't do anything to fuck it up and stayed home the night before rather than have one too many in the pub and end up in a club until dawn.

So, I hadn't seen my boyfriend, Eddie, properly since Thursday night; he had a

job as a DJ in a bar in town and hadn't got in till two in the morning and, funnily enough, I wasn't actually in the mood to talk to him then. Of course, in the morning he was so hung over he had nothing to say to me other than 'ugh' as he snuggled down deeper into his pillow and rolled over. So, at half eleven, when Terry, the security

guard on reception, called, I was in two minds as to how to feel when he said there was a gentleman named Eddie here to see me. On the one hand, I was still pissed off with him for waking me up and breathing his stinky beer breath in my face as he slurred some garbled nonsense into my ear. However, I was happy that someone had

“ I licked his cock all over, moaning like I loved it more than anything else in the world ”

come to see me and was ready to forgive Ed if he'd come to take me out for a nice, expensive lunch followed by a bit of therapeutic shopping.

I met him at the lift, he had a bouquet of flowers and a bottle of champagne for me. "Hi, babe," he said, with a smile. "Thought you could do with some company on your first Saturday in the office."

I wavered for all of two seconds before secretly forgiving him and taking him through the office to my little desk.

"So are you taking me out to lunch or are you planning on getting me drunk and ravishing me over my desk?" I asked as I leaned against the corner of the table and nodded at the bubbly.

"Do I need to get you drunk to get your clothes off?" said Eddie, taking it as some sort of a challenge. Then he grabbed me by the hand and pulled me to him. He put one hand round my waist and the other on my bum and kissed me, squeezing my arse cheek and rubbing his crotch up against mine. He got a hard on in an instant – Eddie was like that – and used the extra bulge as an excuse to thrust against my pussy as he pulled and squeezed my arse.

Sex is my biggest pleasure, and risky sex was something I'd recently been getting into. A few weeks before, we'd had a drunken shag in the middle of the football pitch over the park at midnight and it had been really liberating and sexy. My pussy got wet almost as quickly as Eddie's dick got hard and I pushed back against him, willing him to pull off my knickers and shove his big prick up my moistening slit.

There was no more need for words, our desire had taken over. I knew there was no danger of anyone seeing us, no one else had to come in today, but there was always a slight chance that someone, like the security guard, might show up.

The bosses were a law unto themselves and came and went whenever they pleased. I pulled away from Eddie and leant back against the desk, grabbing his belt with both hands and pulling it free. I yanked his top button open and pulled down the fly of his trousers. His cock was straining to get out and I pulled it free of his pants and ran his foreskin back over his helmet. Ed gasped and pushed his dick towards me slightly.

Getting caught fucking would be awful but getting caught with my boyfriend's cock in my mouth would be even worse and I bent forward and kissed him on the helmet as that thought flashed into my dirty mind. As I did this, Eddie laid one hand on my head, trying to tell me that, yes, he'd love me to sink my mouth over his dick and suck it till he came, but he was too much of a nice guy to pull me down onto him. I slowly bobbed up and down, turning my head and letting him feel the resistance of my cheek against his tip and he hastily tore his shirt off. I wanked him off with my hand as well and he pulled his trousers down slightly so that I could ease his pants down some more and get his balls out. Once they were free, I took them in hand and squeezed them, licking his cock all over, moaning like I loved it more than anything else in the world. It wasn't just that I knew I was blowing his mind with all this, but because I was also turning myself on with every slutty action. Right then, I wanted people to see us, I wanted them to see that I was truly a great fuck. I wanted the guys I work with to see us and wish that it was their cock I was in love with, and I wanted girls to see us and wish that they were as sexy and free as me.

Then I slapped his dick against my tongue a couple of times and that was it, he pulled me up by my elbows and said, "Oh god, that's enough of that, anymore and your face would be covered in jizz and I'd never do what I came here to do."

He kissed me hard on the mouth and turned me round, bending me over the desk roughly and yanking my skirt up over my hips. Pulling off his tie, Eddie squatted and eased my legs apart at the knee.

"Hmm," he said rubbing his nose against my crotch and sniffing my pussy through my

knickers. "This pussy smells like it needs some licking," he murmured and then he rubbed his hand against my slit, pushing a finger between my folds and smearing my juices all over my black panties. Eddie pulled my knickers down quickly, just enough to get my cunt out, and then he stuffed his tongue into my slit, rubbing its rough surface against my clit and back to my hole as the tip of his nose brushed against my arsehole.

"Yeah, it tastes like it wants something inside it," he said.

"Now, what could that be?" he added, and then he rubbed his hand up against my pussy and smeared my juices round my arsehole with his thumb. He undid my skirt and pulled it down over my thighs, letting it drop to the floor and then he slipped a finger inside my pussy and began to kiss and lick my ring-piece. I was in heaven; just imagine your boss catching you with someone's tongue up your arsehole instead of filing those boring old minutes.

I wanted to shove myself back against him and fuck my arsehole on his tongue. I wanted him to slide as many fingers up my cunt as he could and fuck me with them but I wanted to know what he would do next more so I fought desperately with my own urges to stay as I was and let him carry on with his plan. His thumb found its way into my arse and he fucked me in both holes with the fingers from the same hand, rocking into one hole as he rocked out of the other and using the other fingers to grope my clit. And then, just as quickly as he'd started, he stood up and left

"He got a hard on in an instant and used the extra bulge as an excuse to thrust against my pussy"

my cunt aching.

"I know what it is that this pussy wants," Eddie said, spanking my arse playfully. "Take off your blouse and get your tits out for me and I'll give your pussy what it's crying out for: a good hard fucking."

I did as I was told, unbuttoning my top and letting Eddie pull it from off my back and then unclasping my bra and watching it drop to the desk beneath me. Then slowly Eddie pushed his dick into my quim. It was just what I needed, his prick filled my cunt far more than his fingers ever could and I pushed myself hard against him, knowing that an orgasm was only moments away.

"Hey, hey, slowly now darling. Slowly," Eddie warned, pulling out and away.

"No," I groaned. "Fuck me now, fuck me as hard as you can, I need to come on your cock."

Make me come, Eddie, and I'll let you come all over my face."

That was all it took to persuade him to let me have it and he started to bang away at my pussy as fast as he could, smacking my arse for good measure. He fucked me like that for perhaps a minute, maybe five; I was so into it I had no idea of the time. However long it was, when he bent forward and grabbed my tits, squeezing the nipples tightly through my blouse, I let out a cry and came so hard, if it wasn't for the desk beneath me, I'd have collapsed. And as I came, Ed grabbed my hips and pulled me onto his cock with every thrust, trying to get his cock further and further inside me. I loved it, the rougher he treated me the more my sticky juice oozed out of my slit.

"Oh shit, turn over, babe," Eddie strained.

"I'm gonna come right now."

I flopped down to my knees, my legs still like jelly from such a horny fucking, and Eddie let rip, covering me in his hot jism.

When he had finally finished, I had come on my boobs, come in my hair, come all over my face, on my desk and there was even some on my keyboard!

He didn't take me for lunch that afternoon, I sent Eddie out for sandwiches and coffee and we spent the rest of the day trying to get the smell of his spunk out of my keyboard and off the desk!

It may sound like a stupid thing to say, seeming as she's in a top shelf mag, but Scarlett Red is one dirty girl. In fact, she makes the rest of the girls in the magazine seem like angels in comparison! "My motto is 'always try something once', and I'm not talking about making my way through all the food on a restaurant menu, I mean in the bedroom! But now I'm running out of ideas, I've tried pretty much everything on that particular menu, Maybe you guys have got a sexual fantasy you want to share with me?"

If seeing Charlie Rose wearing sexy black lingerie doesn't get your pulse racing then we think you need to go to Specsavers. But the real magic happens when she starts to take her bra and knickers off! "I love getting dressed up in some nice underwear when I'm on night out with a fella. SCRUFF JUSTICE!

Please be upstanding!

TV Repoter

Private

Starring: Sienna Day, Loren Minardi, Blue Angel, Victoria Summers, Carmel Andersson.

Hmm, to be honest that's not the most arousing title for a bongo flick I've ever come across – are

Private going to launch a series of titles that are just job descriptions, I wonder? Shoe Shop Assistant? Quantity Surveyor? Lab Technician? Anyway, I'm going to give this one the benefit of the doubt because it features some top British splashers, with Sienna Day as the eponymous reporter (umm, she's really a presenter) who, in the hunt for a promotion gets particularly chummy with her boss. A nice nosh leads to some cowgirl and then a reverse cowgirl anal pounding for the ambitious bint before she's sent on her way with a faceful of harry. Not content with his morning's

work, boss Frankie then turns up across town, where he ends up double-tagging raven-haired Lauren. The wanton hussy gets all her holes plundered (often at the same time) before they're done with her in what has to be the film's strongest scene. Still, Blue, Victoria and Carmel keep their ends up well enough too, and in the ultimate happy finish, Sienna gets the job!

Seeing Zara Mae on a leather sofa is quite the sight, but listening to her naked butt squelching on it might just top it! "Well, you should hear the noises that come from my leather sofa, and me for that matter, when I'm butt naked and getting a good hard fucking on it! The other good thing about leather is that it's nice and easy to clean up afterwards, if you know what I mean?" Sorry Zara but we don't, can you explain it to us in detail? "You know exactly what I mean, all I'm going to say is that if you hit the right spot I might just be a bit of a squirter!" Oh, we thought you were talking about mopping up a spilt mug of coffee!

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

I bet most of you reckon that working in a shop wouldn't be the best place to conduct a great sex life from. I mean, when was the last time you actually saw someone ask the girl serving them out on a date? Well, I play it differently. I don't wait to be asked, I do the asking – and I do it not for a night on the town or a posh meal, but for one night stands. And it's a strategy that led to my most amazing orgasm ever.

A couple of Fridays ago, it had been a dull day at the record store where I work – well, on the blokes I'd love to shag front anyhow. So, desperate to get laid that night, I decided to pounce on one of the geekier types. It was about 20 minutes before closing when my victim made his less than grand entrance. He was kind of dishevelled and had, as far as I was concerned, dreadful taste in music, although I didn't let on that I thought so.

When he came to the till to pay for his album I said, "Is that any good?"

He looked positively stunned that I'd speak to him, let alone be curious about his purchase. After a few seconds careful thought, he hesitantly replied, "Erm... yeah, it rocks."

"Is it something you think I might enjoy getting down to?" I asked.

"I don't know," he said.

I leant over the counter and took an obvious look at his crotch region. "Well do you think I'd enjoy getting down with what's inside your jeans?" I asked with a cheeky smile.

He said nothing, but nodded and blushed.

"Do you think you're up to proving it in 15 minutes when I finish work?" I asked. "If so, be waiting for me outside the front door when I lock up – okay?"

He agreed, but I half expected him to bottle it and leave me to try and pick up someone in the local bar. However, he proved me wrong, so I dragged him inside the shop and locked us both in. "You got a name?" I asked.

"Jeremy," he said.

I took Jeremy out back into the stockroom and pushed him up against a stack of boxes. Then I undid his belt and top button and pulled down his zipper.

Because he wasn't wearing any pants his swollen hard cock shot straight out.

I grabbed it and started roughly stroking it to see how he would react. Jeremy let out a loud

groan, which I stifled by pulling up my top and sticking one of my nipples in his mouth. As he sucked on my tit, I stopped playing with his prick and struggled out of my top. Keeping my nipple in Jeremy's mouth, I slid him down the boxes until his arse met the floor. Then I said, "Stop sucking and strip."

After getting naked myself, I pushed him flat on his back and straddled his head, facing backwards. I lowered my shaven pussy onto his mouth, and as his tongue wormed its way between its sticky lips, I swallowed his cock whole. I felt Jeremy buck below me as I did my party trick.

While his cock was an average six-incher it was very thick, and I don't mind admitting it stretched my mouth to the max as I bobbed

“Then he lifted my legs up either side of his head and power slammed his still throbbing dick back inside my fanny”

up and down on it. Jeremy was doing a pretty decent job licking my pussy out too. So much so that I could feel my juices pouring out of my slit.

I didn't want to get a mouthful of Jeremy's spunk, so I stopped gobbling him and climbed on top of his knob. I was so fucking wet it slid straight in, balls deep.

Jeremy groaned even louder than when I'd first grabbed his dick. I leant forward and pinned him to the floor by his shoulders, then I slid my fanny halfway up his hard-on and stopped. The look on his face was priceless –

even more so when a split second later I slammed my pussy down as hard as I could on his cock.

Then again and again and... I didn't stop pounding on his prick until I came and collapsed on top of him, still shaking from head to toe.

As I sat there collecting my senses, to my complete surprise Jeremy pushed me off him and flipped me onto my back.

Then he lifted my legs up either side of his head and power slammed his still throbbing dick back inside my fanny. I yelped. Not in pain but pure ecstasy at the thought that I was going to get a double orgasm from someone who looked incapable of a decent fuck. Jeremy had turned from a mild-mannered geek into a human sex-machine, tugging away at my tits as he drove his cock into my hole, deeper and harder with every stroke.

Suddenly, I was overcome with the tell-tale shivers of orgasm number two. As it hit me I thought I was going to explode, the sensations coursing through me were so unbelievably intense. As I was cumming, to my surprise Jeremy then pulled his cock out and wiped it across my mouth so I could taste my own juice. The dirty sod!

He was full of surprises this one. When I'd

a bit tense." Tense? God knows how crazy this guy would've been if he'd been relaxed with me!

Anyway, I squeezed my tits around his cock and began to work his thick, fat prick between them. This obviously put Jeremy more at ease, as in no time his cock jerked violently and he splattered my chest with jet after jet of sticky spunk.

Obviously, a bit overwhelmed by the whole thing, he quickly gathered his stuff and left the shop, and unfortunately, I haven't seen Jeremy since. Hopefully he'll pop back soon – I can't wait to experience his even wilder side!

I'm one of those lucky fuckers that have never had a problem getting laid. Needless to say I've had some pretty wild times and I've got to tell you about a recent trip up North to watch West

Ham away, when I had the most incredible shag of my entire life.

So that we didn't have to get up at the crack of dawn, my mate Dave and I decided to drive up after work on the Friday night and

finally stopped shaking I said, "No one's ever made me orgasm so hard, but why didn't you cum?"

"Well, to be honest, I'm feeling

splash out on a hotel.

We stayed at a place in town so we could hit the clubs. The first one we went to was a right dive, full of mingers, munters and beer-bellied tossers. Fortunately, the second club turned out to be much better.

In fact, I got propositioned while we were at the bar and Dave was ordering our first drink. A quite obviously local lass sidled up next to me and asked, "If I said you had a beautiful body would you hold it against me?"

Her forwardness – and shameless slutty cheesiness – set alarm bells ringing in my head. So, I replied, "Are you brass?"

"Are you fucking kidding me, soft lad?" she answered, looking miffed at my suggesting she was on the game.

"Sorry," I said, "it's just that you're about the most forward girl that I've ever met."

"Yeah," she agreed. "And I guarantee that I'll be the best fuck you've ever had too."

"Are you sure you're not brass?" I asked, but this time we both cracked up laughing.

After several drinks and a few gropes on the dancefloor, Sam – short for Samantha – said, "So do you want to come back to my place then, you Southern ponce?"

"Well I've paid for a hotel room and it'd be a shame to waste it," I replied. "And it's got a mini-bar and cable TV."

An hour later we were naked and top and tailed on the bed. Sam had my cock buried balls deep in her mouth and was sucking it like no-one's business, and I

was licking her juicy pussy. While I had no intention of squirting my load down her throat, I was aiming to make her cum as fast as I could. So I pulled her pussy lips right back so I could massage her clit with my tongue tip. She groaned loudly and started sucking my dick harder. I knew that I wouldn't be able to keep my promise to myself if I didn't get a move on, so I upped the ante and slid a couple of fingers in her fanny and started pumping away with them while still licking Sam's clit. It did the trick, because only moments later she started panting and said, "Oh fuck! Oh fuck! I'm going to cum!"

And she did, with a gush of juice that splattered my face and coated my hand and wrist. I'd never known a bird shudder and shake as much as Sam did when she came. Mind you, I did take advantage of the fact.

While she was still obviously riding a wave of ecstasy, I rolled her onto her front, pulled her up on her knees and, holding her tightly by the hips, slammed my cock right up her fanny. She yelled loudly – getting even louder when I started relentlessly ramming her on and off my cock. I went at her harder and faster with every stroke until I felt my sac tighten.

Suddenly, and to my total horror, Sam started yelling, "Take it out of me! Take it out of me!"

Not wishing to alert hotel security, I did as she asked. Then to my surprise she

pushed me over onto my back, straddled me and slapped her fanny on my face. It was drenched and I instinctively started licking it.

"That's a good boy," Sam said.

"Now I'm going to give you another blowjob, but I want you to let me know when you're going to cum – right?"

I grunted my answer, so she started bobbing up and down on my boner while I tongued her sticky slit. I knew that it'd be nigh on impossible not to cum soon and seconds later my thought was proved right. I didn't want to stop savouring Sam's cunt juice, so I started slapping my hands hard on the carpet. She got the message and, again to my total surprise, stopped what she was doing. She took my dick from her mouth and climbed off me – but not for long.

Just when I was thinking she was the biggest prick tease on the planet, Sam smiled at me and said, "I hope you survive this!"

Then she straddled me and guided my throbbing dick inside her hole and started riding me like some insane cowgirl. She had me pinned by my shoulders so she could do all the work and it felt awesome.

Although nothing quite as awesome as what happened next. Sam started quaking in the grip of orgasm, her cunt muscles clenching rapidly on and off my shaft. Then I

exploded with the most unbelievable orgasm of my life. It was so intense I thought I'd never stop pumping spunk into her soaking pussy.

And that's how the night went on into the early hours. The following morning we overslept. In fact, it was only a phone call

"Sam had my cock buried balls deep in her mouth and was sucking it like no-one's business"

from reception informing us that unless we checked-out in the next 30 minutes we'd be charged an extra day's stay that woke us. Well, the bird was just as horny as she'd been the night before – which put me in a bit of a tight spot. She was obviously up for another session but how could I miss my beloved Hammers? While footie is the love of my life, I've never shirked a definite fuck. So I rang down to reception and we went at it like bunnies all over again, only breaking for a bit of food and booze. Proving that sometimes you can't look a gift fuck in the cunt!

A BLAST FROM THE PAST - CLUB VOLUME 35 NUMBER 05

On first impressions Heni comes across as the easily malleable type, eager to please, speaks only when spoken to, that sort of thing. But watch out, it seems the minute she clamps her laughing gear around your landing gear, there's a new boss in town.

"I have a way of making men do anything I say," she chirped. "All it takes is a bit of oral persuasion. It's amazing how much power you can wield when you've got a cock in your mouth."

"I know there are a lot of girls out there who suck dicks to get what they want but I've managed to acquire quite a lot using my particular blow-job technique. I've got expensive meals, clothes, jewellery – you name it, I've sucked dick for it. I even convinced an ex to take me to the Maldives when he had originally intended to take me to Cornwall for the weekend!"

Come on then, we're sure we could do something to further your modelling career. How about a little...?

"Erm, no, you're alright, thanks!"

Mojira

A close-up photograph of a woman lying on her back, viewed from behind. She is wearing a black thong. Her skin is fair, and her hair is dark. The background is a soft, white, textured surface, possibly a pillow or blanket. The lighting is soft and even.

Well, I'll be blown!
Who'd have thought such a sex goddess could be called Moira? I mean, no disrespect to the legendary newsreader Moira Stewart – who we're big fans of in the office – but she's not even in the Top 100 when we delve into our trusty wank banks. In fact, we'd have her down at about 138th, sandwiched in-between Fern Britton and Ulrika Jonsson. Hmm, now that's a thought... But what's in a name anyway? Fuck all, that's what. Otherwise, Moira here would be called something like 'Sexy arse' or 'Ace tits' or even 'Big Pussy Lips that look like they'd fit snug around your cock real niiiiiiice', which would just be stupid. So, we think Moira should just stick with Moira!

Nicole Aniston

Mmm, the sight of the lovely Nicole Aniston, reclining casually on a bed, her shapely thighs falling open to give us a good look at one of the most inviting looking pussies in the industry – surely there's nothing hornier than that? But how on earth does the poor girl manage to get on with her life, we'd spend all our waking hours lying naked in front of a mirror toying with ourselves! "Well, you kind of get used to it after a while! Although I have to confess, I do rub one out most days – although not usually looking in the mirror! And besides, I do have a job that lets me play with my pussy whenever I want to, so between work and a little bit of me time in the morning and whatever I might get up to at night, I manage to live a pretty normal life in between!" We're very relieved to hear it, Nicole!

DOWN THE WIRE

JUST ONE DROP OF WATER

One Drop Of Water Travels The Length Of The Mississippi River In 90 Days.

From its start at Lake Itasca in Minnesota to its termination at the Gulf of Mexico, the Mississippi River runs for 2,318 miles. However, the Mississippi is only the second-longest river

in the US, falling behind one of its own tributaries, the Missouri River. The length of time it takes a single drop of water to run from Lake Itasca to New Orleans, where the Mississippi River ends, is 90 days. The average speed of the Mississippi is 1.2 miles per hour, although the rate varies at different locations.

A WHOLE LOT OF TIME

France Has More Time Zones Than Russia

Russia has 11 time zones, which means it can be 8 am on Tuesday in Petropavlovsk-Kamchatsky (in the easternmost regions of the country) and 10 pm the night before in Kaliningrad (in the west). Because Russia is so large and has the prime meridian passing through it, it is day and night as well as today and tomorrow all at the same time, depending on where one stands. The US also has 11 time zones (four in the contiguous US), but neither Russia nor the US have the largest number of zones in the world. With its territorial possessions and a presence in the Antarctic, France has 12 time zones, the most of any country in the world.

IT'S A SIZE THING

Mount Everest Isn't The Tallest Mountain In The World

While Mount Everest's peak rises to the highest point above sea level on Earth, the largest mountain from base to peak is Mauna Kea on the big island of Hawaii. A dormant volcano, its name means "White Mountain," which it earned from its snow-filled peaks - not often associated with Hawaii. Mount Everest, which officially stands 29,032 feet, is still rising, according to geologists. Even with its continued changes, Mauna Kea is still substantially taller, officially measuring higher than 33,500 feet.

To complicate things even more, neither Mount Everest nor Mauna Kea can claim a peak that's farthest from the centre of the Earth. That honour falls to Mount Chimborazo in Ecuador. Because Chimborazo sits on the centrifugal bulge near the equator, it's technically farthest from the Earth's core.

ON THE SUBJECT OF ROCKS

Mount Augustus In Australia Is The Largest Rock On The Planet

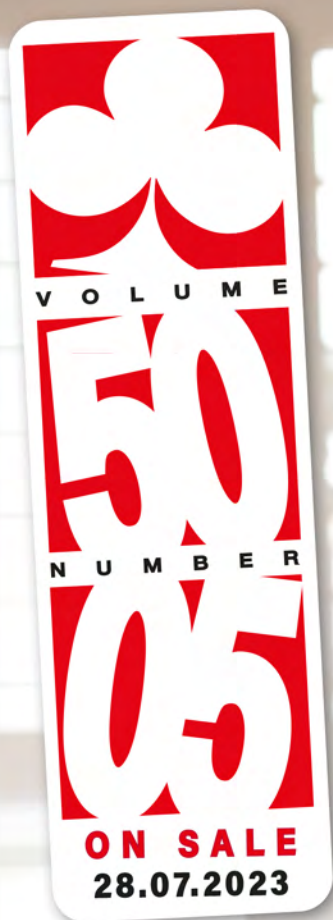

It may look like a mountain, but Mount Augustus (called Burringurrah by the Wajarri Aboriginal people) is actually an inselberg - an "island mountain" - located in the Western part of the continent. Inselbergs are not unique to Australia, with the geological features present in Africa and the Middle East as well. Mount Augustus holds distinction as the largest inselberg on Earth, measuring more than 6 miles long and about 3 miles wide. It reaches higher than 3,000 feet above sea level, rivaling the elevation of Western Australia's actual tallest mountain, Mount Meharry (which peaks at about 4,100 feet.) Mount Augustus is about 1,000 million years old and sits on granite that could date back 1,650 million years.

SPLIT INTO FOUR

Africa Is The Only Continent In All Four Hemispheres

Due to its size and location, Africa is the only continent through which the equator and the prime meridian cross. As a result, parts of Africa fall into each of the four hemispheres of the Earth. The equator nearly splits Africa in half, running through countries like the Republic of the Congo, Kenya, and Somalia. The prime meridian traverses Mali, Algeria, and Ghana. Narrowing down even further, several islands similarly fall into all four hemispheres. Collectively called the Kiribati Islands, the group of 32 atolls and one larger island are scattered throughout the central Pacific Ocean.
